- ✓ Personalized Coaching Every triathlete and runner is unique. Your coaching services should be too.
 Workouts, tactics, and objectives will be tailored to your specific requirements.
- ✓ 14 Point Proprietary Bonds of Performance Assessment* Personalized assessment of current capabilities to optimal performance. Each of the 14 elements weighted by contribution to race outcomes.
- ✓ **Customized Workouts*** -- Schedules by day and discipline. Issued weekly. Includes swim, bike, run, flexibility, and weight workouts. Created to reduce gaps identified in the Bonds of Performance Assessment.
- ✓ Workout Feedback As needed, as wanted on training progress.
- ✓ **Race Preview** Create specific tactical plan for each race on your schedule. Discuss race topography, weather conditions, competitors, goals, and more. Workouts aligned with reaching race objectives.
- ✓ Race Feedback* Discuss results using metrics far beyond time, place, and splits.
- ✓ Phone, Text/e-mail Communication -- As needed, as wanted. Includes workout, races, and what-not content.
